

Dear Parents

The class that collects the most Box Tops by Friday October 22, 2012 wins an ice cream party. Look for Box Tops logos on participating brands, check the expiration date, clip and glue onto the attached sheet. The only Box Tops that will count toward the class totals will be Box Tops glued onto the attached sheets. The bonus boxtops need to be in a baggie and stapled to the collection sheet. Collect Box Tops on this sheet and submit to your teacher. If you need more sheets, see your teacher. For more information about the Box Tops program, visit www.boxtops4education.com

Thank you for your support,
